Entered April 23, 1903 at Pickens, S. C., as second class matter, under act of Congress of March 3, 1879.

VOL. XXXVI

PICKENS, SOUTH CAROLINA, WEDNESDAY, SEPTEMBER 12, 1906.

## STATE PRESS.

Must South Carolina Lag Behind.  
Clinton Chronicle.

The legislatures of North Carolina and Georgia have both abolished the "bucket shop" business from their respective States and we feel sure that South Carolina will do the same.

Mother Was Hoodooed.  
St. Matthews Commercial Advance.

A small Kansas boy was once called in to view his new born baby brother. He looked it over with dissatisfaction, and finally asked: "Mamma, where did this thing come from?" "An angel brought it, Jimmie." "Wuz you awake when he came?" "Certainly, Jimmie." "Well, then, mamma, all that I have to say, is that you are dead easy. I'd like to see any old angel put off such a looking thing on me. But I reckon we are stuck unless I kin work Billy Green to trade it sight-unseen for one of his spotted pups."

Look on the Bright Side.  
Rock Hill Record.

The man who gets mad at what the newspaper says about him should return thanks three times a day for what the newspaper knew about him and suppressed.

Good Work in Laurens.  
Laurensville Herald.

They were not fighting Ben Tillman, oh, no. They were simply fighting for prohibition. Yet they scratched Tillman's name in this town to the tune of 125 votes out of a total of 224, at Club No. 1.

The Morning After.  
Greenville News.

It must be really a fact that citizen Josh Ashley was left at home. It was so much like a dream at first, but a full realization of the tremendous downfall of this renowned philosopher is gradually dawning upon the public mind.

Passing of the Boss.  
Hartsville Messenger.

Nothing is more evident in the result of the primary election just held in this State than the fact that the people of South Carolina will not submit to the dictation of any man or set of men. \* \* \* The election of Lyon as attorney general (which now seems assured) will be the greatest triumph for law and order, decency and honesty that has been accomplished in the politics of this State for many years, and this victory of right over wrong is more than worth the cost of the primaries to the people.

One Harmonious Whole.  
Fairfax Enterprise.

It is strange how any man, being the son of a woman, could for an instant doubt the oneness of his nature with her's, or be so lost to all sense of justice as to conceive of woman's comradeship as anything but an inspiration to peace and progress.

Keep Profits at Home.  
Aiken Journal and Review.

Under local option Aiken county can establish a county dispensary which would keep all its profits for the people of this county instead of dividing with 18 counties that have no dispensaries.

"Ole Ben" and "Ole Scratch."  
Carolina Spartan.

If "Ole Scratch" had made a vigorous campaign against "Ole Ben," the result would have been astonishing to our great leader, who delights in leading the blind.

Depends on Point of View.  
Anderson Mail.

It must be really a fact that citizen Josh Ashley was left at home. It was so much like a dream at first.—Greenville News, The gentleman from Honea Path is still of the opinion that it was a nightmare.

A man never realizes how unpopular he is until he begins to acquire fame.

## POINTED PARAGRAPHS.

Only a few people make good in an emergency.

An actor seldom retires until he is played out.

Even the so-called white lies are more or less tainted.

The scorn of egotism is as harmless as the slurs of ignorance.

Any man possesses the ability to be as big a fool as he pleases.

But the coat doesn't make the man—not even a coat of tar and feathers.

An evil doer is one who believes in doing others before they attempt to do him.

Of course, the man who thinks as highly of himself as you do of yourself is conceited.

Between some men and sponges the only apparent difference is that sponges will take water.

Some women look upon a husband as a money-earning convenience rather than a domestic necessity.

Any girl who has a dimple and understands the art of working it can make a dignified man act like a monkey.

The world extends the glad hand to the lucky man, but all it hands the victim of tough luck is a little cold sympathy.

At the age of twenty-five a girl is willing to marry a widower with one child, at thirty she will tolerate two children and at thirty-five she doesn't care how many he has.

## HOW TO AVOID APPENDICITIS.

Most victims of appendicitis are those who are habitually constipated. Orino Laxative Fruit Syrup cures chronic constipation by stimulating the liver and bowels and restores the natural action of the bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. Parkins Pharmacy, Liberty, and Pickens Drug Co.

The department of agriculture is making preparations for a thorough enforcement of the pure food act, which goes into effect January 1st next.

## WOMEN SUFFER NEEDLESS MISERY.

MISS MARY MAYGER.

MRS. LIZZIE SHARPE.

MRS. JAMES GOLLOHER.

There are hundreds of thousands of women in America suffering from Pelvic Diseases, endangering their lives by neglecting treatment. If they will write to me I will give them the benefit of my extensive experience in treating this class of ailments.

—S. B. Hartman, M. D.

## IN view of the great multitude of

women suffering from some form of female disease and yet unable to find any cure, Dr. Hartman, the renowned gynecologist, has announced his willingness to direct the treatment of as many cases as may make application to him during the summer months, without charge.

Miss Mary Mayger, 200 Deloit street, Philadelphia, Pa., writes:

"Before taking your medicine I was completely run down."

Headache and Backache.

"My back and head ached all the time and I was so nervous that it was impossible for me to attempt any work."

"After using two bottles of Peruna there was a wonderful change and I am now a well woman."

Gratitude.

"I cannot express my gratitude sufficiently and I am recommending it to all my friends."

Dr. Hartman's treatment will be conducted by correspondence.

The medicines prescribed can be obtained at all drug stores.

Complete Treatment.

The doctor will prescribe all medicines, applications, hygienic and dietary regulations necessary to effect complete relief.

Furthermore, all correspondence will be held strictly confidential.

## Entire System Affected.

Mrs. James Golloher, Norwood, Ontario, Can., writes:

"I was suffering from systemic catarrh for about two years."

"In damp weather I was unable to do my work, as my back and sides would ache, and I thought if I did not soon find a cure I could not live long."

"I saw where Peruna had cured hundreds who had suffered as I was suffering. I decided to try it."

"After taking the first bottle, I felt a big change."

Completely Cured.

"I have taken five bottles and I am completely cured."

"I thank Dr. Hartman for his kind advice to me."

Dr. Hartman's offer will hold good during the entire summer months.

Any woman can become a regular patient by sending a written statement of her age, condition of life, symptoms of her derangements, and previous treatment.

Dr. Hartman's Advice.

Mrs. Lizzie Sharpe, 203 Friendship street, Providence, R. I., writes:

"Some time ago I wrote you, asking advice in regard to my health, describing my symptoms."

"Following your advice and taking your medicine for only five weeks, I am thankful to say I am a well woman."

## "I had suffered for a number of years

with constipation, indigestion and female troubles of the worst form. I was unable to do my housework without help."

Satisfactory Results.

"After taking Peruna I have experienced the most satisfactory results. I am like a new woman."

"I do all my own housework for seven rooms, thanks to Peruna."

Recommend Peruna.

"I want to recommend Peruna to all who are similarly afflicted."

The principal remedy which Dr. Hartman relies upon in curing catarrhal diseases of women is Peruna.

Hundreds of women sufferers find Peruna a household remedy. Many of these women have written letters of thanks for the benefit they have obtained.

Dr. Hartman's Experience.

As is well known, Dr. Hartman is the President of the Hartman Sanitarium, an institution which has a department devoted to the treatment of female diseases.

He is thus brought to see a great many of such cases every year, the most of whom return to their homes to complete their treatment by correspondence.

Those wishing to become patients by correspondence should address Dr. S. B. Hartman, President of the Hartman Sanitarium, Columbus, Ohio.

If you think all ready-made clothes are alike, you haven't seen our Schloss clothes. The way they look is one difference and a big one. Extra good styling and tailoring is responsible for that and the materials are as good as the tailoring.

Just drop your prejudice against "Ready-Made" long enough to try on a Schloss Suit. You'll find it far better than the average custom-tailor's work.

We have all the latest styles. Come and see them.

Suits \$10 to \$30.

A Letter from Pickens.  
The Experience of one Intelligent Patient.

PICKENS, S. C., September 25th, 1906.

Black Beauty, Dear Friend:

How do you like me in my new glasses? I got them from Dr. F. H. Newton, 219 N. Main St., Greenville, S. C. They're the latest style. They are health ray glasses and they rest my eyes from headache and the hot sun.

They're just great. No matter which way I look I see everything just as well as when I was a colt. Before I got them I stumbled over every pebble in the road, but now it's all different.

Take my advice, when your sight troubles you go to the Hiawatha Hotel in Pickens, Tuesday and Wednesday, September 25th and 26th, as I no doubt this will be Dr. Newtons last visit away from his office on account of fall business so heavy at home.

Everybody Come.
